Saturday, September 11 &
Sunday, September 12, 2010
at Bay Cliff Health Camp
in Big Bay, MI

Are you interested in learning to canoe or kayak?

On September 11 & 12, instructors from the American Canoe Association (ACA) will be offering an adaptive paddling workshop in cooperation with Bay Cliff Health Camp as the sponsor and co-presenter. This is an opportunity for individuals who have significant mobility impairments to receive instruction in canoeing and kayaking from expert instructors. You will learn how to compensate for function lost due to your disability, how to adapt the boat and paddle to best suit your needs, and you will complete the ACA Introduction to Paddling course.

This course includes paddling instruction in a pool session and paddling on calm water with your instructors, because water is the ultimate equalizer. Attendance on both days is necessary. The cost is free to student participants (adults with mobility impairments). Room & board can be provided at no charge, if you wish to stay at Bay Cliff. Bay Cliff does not provide personal care assistance. If you need the services of a personal care assistant (PCA) at home, **you must provide a PCA for the duration of the workshop in order to participate.** (Please realize that any environment away from home may compromise your independence.) Your PCA may stay at camp with no charge for room & board.

This course has been taught around the country since 1990, and in the Marquette area since 1998. The lead ACA instructors will be Nancy Uschold and Sam Crowley of Marquette, MI, and Nancy Saulsbury of Madison, WI.

Pre-registration is required for this course. There is no charge for student participants.

Space is limited! For more information please contact Karen Schlicher, Course Coordinator, at (906) 345- 9314 or at baycliff@baycliff.org

To REGISTER please read, complete and return the enclosed information. Hope to see you in September!
