

Dear Friends:

We are pleased to provide you with a copy of our Want List. Your help in obtaining items needed for camp is truly appreciated. The items do not need to be new, however, they should be in good condition. Clothing donations should be “summer wear” and in good condition. Electrical/mechanical items must work. We are unable to accept diapers (except pull-ups), stuffed animals, nor computer donations unless they are Pentium PC’s. Donations of money towards the purchase of items are welcome. Please call if you have any questions about items on the list. Feel free to copy this list and share it with others. Thank you for your support!

Tim Bennett  
Camp Director
